

Sponsorship Partners

This letter invites you to become a sponsor for the 6th annual Bhakti in the Woods Yoga and Music Festival, in Ladysmith, Quebec. 80 minutes from Ottawa/Gatineau. Haven't heard about us? Visit our website and get a taste of our unique transformational festival! www.bhaktiinthewoods.com

We are a small grass roots, non-corporate festival and with your help, we will facilitate 3 meaningful things: partnership, presence & promotion of your business for this weekend-long event.

Please select the various sponsorship levels and benefits you wish to utilize. Your sponsorship may be subtle with your logo displayed on our website and festival program, or for everyone to see loud and clear, like having your logo displayed at the main stage. This year's event will attract approximately 20+ vendors and 200+ participants. Sponsorship will help us host activities such as, yoga and meditation classes, yoga music groups, various performances, children's village and more.

Thank-you for your support!
